Exhibition Community Talks Program 2018

A changed exhibition takes visitors on a journey through some of our rich collection to explore the personal stories our artefacts tell – tales of colonial Perth, the convict era, the lure of pearls, the arrival of life-giving water for the goldfields, and the botanical wonderland in which we live as West Australians. Some items are on public view for the first time.

Open all year
Mon-Fri
10am to 4pm
(except public holidays)

Tour groups welcome with guide supplied.
