## Government House Gardens Visit

Friday 5 November 2021 at 10 am

On behalf of the Governor, The Honourable Kim Beazley AC, we are invited to participate in a private tour of the Government House gardens.

The Tour will commence with a brief welcome at the gates followed by a leisurely 40 minute guided tour of the 3.2 hectares of private gardens.

With the present layout dating back to the 1850s and 1860s, throughout the colonial period the gardens and the impressive residence they surround were the centre of Western Australia's social life.

Constructed in the Arcadian landscape style, popular in English and colonial estates during the seventeenth and eighteenth centuries, the gardens offer a great diversity of features and a wide variety of plant species both native and exotic.

Ronald Bodycoat, commissioned in 1989 to undertake a conservation and management plan for both house and garden restoration and refurbishment will talk to us during light refreshments served in the gardens.

Parking available \$5 per hour at CPP Council House. Meet at the Pedestrian Access, see map over leaf.

Book with the office.

Members \$20, non members \$25.
